- - - - -

Sir,

With reference to Government Proceedings

No. 11,741-3 Medical 79-12 dated 21st May 1914 according ~~Sanctioned~~
final sanction to the payment of a grant of Rs. 5,000 for
the construction by the Wesleyan Mission authorities of a
Maternity Hospital at Mandagadde in the Thirthahally Taluk,
I have the honour to forward herewith in original a letter
dated 31st July 1914 from the Revd. A.E. Nightingale,
Wesleyan Mission, Shimoga praying for a further grant of Rs.
5,000 to enable him to complete the work.

2. On a reference to the previous correspondence
on the subject, it is seen that an application for a
building grant of Rs. 5,000 was made by Mr. Nightingale,
when the idea was to put up buildings estimated to cost Rs.
10,000, and the Government in their order No. 4243-6/Med
79-12 dated 13th October 1913 were pleased to sanction a

grant

1812.

14

1904

From

The Deputy Commissioner,
Shimla.

To

The Offg. Secy to the Govt of Mysore
Genl Adm Dept. Bangalore

Dated 7th August 1914

Despatched

Received

General No. 27
No.

Enclosure No. one

Solicit sanction of Govern-
ment for an additional grant
of Rs 5000/- to Revd A. E. Wright
for completing the Maternity Hospital
at Mandanaddi

grant "equivalent to half the cost of the building up to a maximum of Rs. 5,000".

3.

It has been explained in my letter No. 1842 dated 3rd February 1914 that ^{the} Wesleyan Mission authorities proposed with the aid of this grant to construct about one-half of the building as indicated in the sanctioned plans reserving the completion of the entire building according to the plan for a later period, and that the outlay for the first stage of the proposal for which the grant of Rs. 5,000 has been asked for and sanctioned would be about Rs. 13,000.

4.

In order to complete the building according to the plan a further outlay of Rs. 10,000 is required and Mr. Nightingale now asks for a grant of half of this amount not exceeding Rs. 5,000.

5.

I have already in para 8 of my letter No. 184 dated 3rd February 1914 expressed the opinion that the request is a reasonable one and that when, with the aid of such an additional grant, the whole building is completed, we shall have a well equipped and spacious hospital.

6.

In view of the fact that the mortality of infants and women in child-birth in these parts of the malnad is alarmingly high, I have no hesitation in saying that the

additional

18

Entered 32-14-1

To
The Deputy Commissioner,
Shinoga District,
SHIMOGA.

Dated 31 July 1914.

Sir,

I have the honour to make an application to you for an additional grant of Five Thousand Rupees for a Grant-in-Aid towards the Maternity and Hospital for Women and Children in Mandagadde.

When I first appealed to the Government for help towards this undertaking, I submitted a scheme involving an outlay of Ten Thousand Rupees and the Government were pleased to sanction a grant of half the cost not exceeding Five Thousand Rupees.

Proposals were then made by the Government that necessitated a greater expenditure than was originally contemplated and an estimate was submitted amounting to 23,000 rupees which estimate was approved by Government.

As I am very anxious to complete the scheme before I leave for England in a few months' time I have the honour to ask you to favourably consider this application, since without an additional grant of Five Thousand Rupees, I shall be unable to carry out the undertaking in its entirety.

I have the honour to be,

Sir,

Your most obedient servant,

A. E. Nightingale

B A N G A L O R E,

Sir,

Referring to your letter No. 2708/Med. 32-14 dated 14th September 1914, calling for the opinion of the Malnad Improvement Committee, Shimoga District, as to whether such a large hospital at Mandagadde, as the one under construction by the Wesleyan Mission is necessary etc., I have the honor to state that the matter was placed before the last Meeting of the Committee held on the 27th November 1914, when the following Resolution was passed.

" In view of the great benefit that will be derived by the people of this out of the way region in the malnad and the facilities to be provided for giving suitable training to local women in the profession of midwifery, the Committee are unanimously of opinion that a hospital of the size proposed by the Wesleyan Mission Authorities is necessary and that the extra grant of Rs 5,000/- asked for may be given out of the Malnad Improvement Funds."

2. It will be seen that the Committee are unanimously of opinion that a hospital of the size, contemplated by the Wesleyan Mission, is necessary and deserving of support and that the Committee are in favour of making a further grant, out of its funds, of Rs 5,000/- now applied for, in view of the facilities to be provided for therein for training local women in midwifery and the benefits to accrue to the

public

public in that malnad tract.

I have the honor to be,

Sir,
